## Kilometre philosophy – 100% taste.

In our 0-kilometre philosophy, our kitchen team combines the best ingredients from our cheese dairy, butchery, nursery, trout farm, wine cellar, orchards, granary and bakery. We are proud to be able to use so many products from our own farm in the Ittingen kitchen; our products are of the highest quality and could not be fresher.

For products that our farm cannot supply, we use 95% **Swiss products** – whenever possible from selected **local and regional producers**. Meat comes from our own farm or from other farms nearby.

Transparency is important to us and nature remains nature: sometimes we run out of (our own) products at short notice. In this case, our kitchen team will provide adequate alternatives, and our service team will inform you.
